

# KEITH SINISCALCHI

Deputy to the Commander  
Tooele Army Depot, Tooele, Utah  
JMTE-CO

Keith Siniscalchi serves as the Deputy to the Commander at Tooele Army Depot (TEAD), Tooele, Utah. In this position he leads an organization that is responsible for the storage, issue, and demilitarization of conventional ammunition for all U.S. military services. Also, he is responsible for overseeing depot operations of Hawthorne Army Depot in Nevada.

Before accepting the position of Deputy to the Commander in January 2015, Mr. Siniscalchi served as the Director of Ammunition Operations (AOD) at TEAD from 2009 - 2015. He was responsible for the execution and management of a \$40 million budget and managed a Directorate composed of 225 employees. AOD performs all facets of Depot Level ammunition logistics; ammunition shipping, storage, receiving, inspection, demilitarization, renovation, inventory accountability and transportation.

Mr. Siniscalchi served as the Director of Ammunition Logistics and Engineering from 2006 through 2009 at TEAD. He was responsible for the management and execution of a \$60 Million budget and managed a Directorate composed of 270 employees. In 2009, TEAD was reorganized to better suit the growth of the mission, which included the spilt of DALE into two separate Directorates. The Directorate of Ammunition Logistics and Engineering (DALE) Programs included design, engineering, testing and fielding of Ammunition Peculiar Equipment along with other special projects needed for the Warfighter in addition to Depot Level ammunition logistics. A noteworthy special project was the completion of Add-on-Armor for the M 939 Cargo Truck.

Mr. Siniscalchi's career began in the Supply Directorate at TEAD. He transferred to the chemical munitions storage operations in 1984. In 1991, he was appointed as the TEAD Transportation Officer. He served as division chief for various conventional ammunition operations to include storage, shipping & receiving and maintenance & demilitarization operations. He oversaw the application of Army Strategic Mobility Project funds to rebuild the rail system at TEAD to improve mission power projection capabilities. He has been awarded the Department of the Army (DA) Meritorious Civilian Service Award for his leadership and accomplishments, DA Superior Civilian Service Award in support of Operation Enduring Freedom and Operation Iraqi Freedom, and several Commanders' Awards for Civilian Service. Mr. Siniscalchi also is a recipient of the Vice Presidential Hammer Award, initiated by Vice President Al Gore for reinventing government.
